

New CCW (Initial Applicant) Instructions

1. Obtain a CCW Application Packet

This packet may be picked up at the Madera Police Department. The CCW application packet consists of written instructions, FAQ's, a list of authorized CCW class instructors, Request for Live Scan Service form, and the California DOJ Standard Application for License to Carry a Concealed Weapon (CCW).

2. Attend a CCW Class

Initial CCW applicants must complete an approved course of training prior to submitting their application. Approved courses may be obtained from any of the authorized instructors on the attached list.

3. Complete the DOJ Standard Application

Answer all of the questions completely and truthfully. **You must fill out the "Investigators Interview Notes" page 9 of this document completely, prior to arrival.** Failure to answer all questions appropriately may result in a delay and/or denial of the application. **Do not sign the application in places where a witness is required, you will sign these portions when you meet with Police personnel to submit the application.**

4. Schedule an appointment

Call the Madera Police Department (559-675-4260) to schedule an appointment to submit the application. The appointments are scheduled in one hour blocks but normally do not take a full hour. You will need to bring:

1. Completed (but not signed) DOJ Standard Application for CCW License
2. Completed Request For Live Scan Service form
3. Three(3) signed letters of character reference from individuals other than relatives
4. CCW Course completion form
5. California ID (with current address in the City of Madera)
6. Current utility bill for proof-of-residence (PG&E, water, landline telephone). It must have your name and actual address on it (if utility is not in your name, have the named party write on the bill that you reside at the residence and sign it). **PO Box addresses are not acceptable.**

At the time of your appointment you will take a written test, be photographed, and LiveScan fingerprinted. The applicant shall submit payment of \$105.00 by cash, money order, or a check made payable to The Madera Police Department. The remaining \$44.00 will be due upon completion of the process if your CCW is approved. The initial fee of \$105.00 is not refundable if the applicant fails to pass the background check.

5. Process Completion

After your initial appointment is completed, your application will be forwarded to DOJ for background clearance. Once DOJ transmits approval, the applicant shall be scheduled for a personal interview with the Chief of Police or authorized designee. The whole process typically takes 6-12 weeks. If the application is rejected, the applicant will be notified in writing of the reason for rejection. If you pass the background portion and Department review, you will be notified to come back to the Madera Police Department to pick up your CCW paper copy and plastic ID card. The remaining \$44.00 fee will be collected at this time. Remember that you need to renew the CCW every two years (except for judges which are three years, and Reserve Peace Officers which are four years). **The Madera Police Department does not send out reminders.**

CCW Renewal Instructions

CCW permits need to be renewed every two years for most people. Judges must renew every three years and Reserve Peace Officers must renew every four years. **The Madera Police Department DOES NOT send out renewal notices.** You may apply for a renewal starting 90 days prior to the expiration of your current permit. If your current permit expires and we do not have a renewal application, you will need to apply for a NEW CCW and go through the whole NEW permit application process again. Please note that if your current permit expires, and you are awaiting your renewal or starting the process over, you **MAY NOT** carry your handgun pursuant to the CCW until it is renewed or reissued. You will be notified upon approval or denial of your application.

 - c. Driver License
 - d. Current proof of residency within the City of Madera (ex: PG&E, water bill, land line telephone bill)
 - e. \$72.00 renewal fee in cash, check or money order made payable to the Madera Police Department

CCW PERMIT FAQ'S

How many handguns can I put on my permit?

You may list up to five handguns on your initial application. You may add up to a total of 10 handguns to your permit after it has been issued. Most people will not practice with too many handguns though, so it may be a better idea to only list and carry a few handguns that you are proficient with.

How can I add another gun to my permit after it is issued?

You need to qualify with each type of handgun on the permit. So if you have qualified with a semi-automatic pistol, you can add other semi-automatic pistols; if you have qualified with a revolver, you can add other revolvers. If you want to add a handgun that is of a different type, you need to qualify with that handgun (ie. You have revolvers on the permit, but want to add a semi-automatic pistol; you need to qualify with the semi-automatic).

Do the handguns on my permit need to be registered to me?

Yes. The handgun(s) on your permit needs to be registered to you or your spouse; handguns registered to another family member or a friend cannot be put on your permit. California has required "ownership records" for handguns since 1986, if you purchased the handgun before 1986 you can file a voluntary ownership record with DOJ or have the handgun recorded into your name at an FFL (Federal Firearms Licensee) through the DROS (Dealer Record Of Sale) process. Some FFL's will not do this; however; many will. The FFL will charge a fee for this transaction.

Does my handgun have to be on the California approved "safe gun" list if I want to put it on my CCW?

No.

Can I carry high capacity magazines in my CCW handgun?

As long as you had the magazines legally in California before 1/1/00, they are legal to possess and you can carry them with their full capacity in your CCW handgun. "High capacity magazines" (more than 10 rounds) have been generally illegal to obtain in California since 1/1/00.

I have a pistol that has two slide assemblies in different calibers; can I use either caliber when I carry the pistol?

Yes, just list both calibers on the CCW (such as: 9mm / .40).

Are there any caliber restrictions for handguns on the CCW?

Generally there are not, any common caliber should be fine, all handguns must be checked and approved by the instructor though.

What is the minimal standard for the Good Cause Statement?

The basic principal that must be articulated is for defense of myself and my family against threats of serious injury or death from an assailant. There are numerous different ways to express this concept, but this is the basis for the "good cause" to issue a CCW. Many people understand, and should articulate that law enforcement emergency responses may be quite extended in many areas of the county and wish to have a means to protect themselves against crimes of violence, involving a threat of great bodily injury or death, until law enforcement arrives. Many people will have other specific needs for an increased self defense ability, these should be clearly and briefly articulated (ie. owners or employees of businesses who carry large sums of money or valuable equipment; people who are required to travel or

work in high crime or rural areas; people with physical impairments that would make it difficult or impossible to defend themselves or escape from an attack.)

How long do I have after taking the initial CCW class to turn in the application and begin the process?

The application package must be turned in and the application process must begin within six months after taking the class and qualifying.

How do I renew my permit?

The CCW permit must be renewed every two years for most people (Judges must renew every 3 years and Reserve Peace Officers must renew every 4 years). You must take a renewal class from one of the approved instructors and present the certificate of completion to the Madera Police Department. Processing of CCW renewals will be by appointment only. The Madera Police Department does not send reminders, so CCW holders need to pay attention to their expiration date and make sure they take the renewal class and get an appointment for the renewal before the permit expires. There is a six month window from expiration. If you go past six months you will have to start the process over again; also, once the permit has expired you cannot legally carry your handgun per the CCW until it is renewed.

If my application is denied can I appeal the decision?

No. You will receive a letter advising you the reason for the rejection.

If my application is denied can I get a refund of the \$105.00 initial fee?

No. This fee is for processing the application and the DOJ background clearance. The additional \$44.00 fee will not be charged though.

If I move do I have to update my CCW information?

Yes. You need to notify the Madera Police Department if you have a change of address. DMV also requires that you notify them of a change of address for your driver's license within 10 days. If you are moving out of The City of Madera, your CCW will remain valid for 90 days and you must apply for a new CCW in the jurisdiction where you are moving.

If I get arrested after my CCW has been issued, will it be revoked?

Yes. An arrest for a criminal offense will cause revocation of the permit in most cases.

Authority

California Penal Code sections 26150 and 26155 provide that a sheriff of a county or the chief or other head of a municipal police department of any city or city and county may issue a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (CCW license). Penal Code section 26175 requires the Attorney General to prescribe a statewide standard application form for a CCW license.

Who May be Issued a License

The licensing authority specified in Penal Code sections 26150 and 26155 (a sheriff or the chief or other head of a municipal police department) may issue a license to persons who are of good moral character, who have completed a course of training, and where good cause exists for issuance of the CCW license. All applicants for a CCW license will be fingerprinted and state and federal records will be checked to determine if they are eligible to possess firearms. The attachment to this application list all categories that would prohibit a person from possessing firearms and being granted a CCW license. These attachments are updated annually to reflect new legislation and other changes in the law.

Format of CCW License

A CCW license may be issued in either of the following formats:

1. A license to carry concealed a pistol, revolver, or other firearm capable of being concealed upon the person.
2. Where the population of the county is less than 200,000 persons according to the most recent federal decennial census, a license to carry loaded and exposed in the county a pistol, revolver, or other firearm capable of being concealed upon the person.

Training Required

Penal Code sections 26150 and 26155 specify that new license applicants must complete a course of training. The training may consist of any course acceptable to the licensing authority. The licensing authority may require either a course not to exceed 16 hours which includes instruction on at least firearms safety and the law regarding the permissible use of a firearm, or a community college course not to exceed 24 hours certified by the Commission on Peace Officer Standards and Training. If the licensing authority requires the community college course, it must be uniformly required for all CCW license applicants. The licensing authority may also require annual qualification on the weapon(s) during the term for which the CCW license is granted.

For license renewal applicants, the course of training may be any course acceptable to the licensing authority, shall be no less than four hours in length, and shall include instruction on firearm safety and the law regarding permissible use of a firearm.

Psychological Testing

In addition to licensing requirements as specified by the licensing authority, jurisdictions may require psychological testing on the initial application. If required, the applicant shall be referred to a licensed psychologist used by the licensing authority for the psychological testing of its own employees. Any fees charged will be the responsibility of the applicant and such fees shall not exceed \$150.00 for an initial test. Additional psychological testing of an applicant seeking license renewal shall be required only if there is compelling evidence to indicate that a test is necessary. (Pen. Code, § 26190, subd. (f).)

Completing the Application

Answering all the questions on this standard application does not guarantee the issuance of a CCW license. The determination whether to issue the license is at the discretion of the licensing authority. Pursuant to Penal Code section 26160, each licensing authority, in addition to using the state standard application form, will have a written policy summarizing what they require. Prior to issuing a CCW license, the statutes require proof that:

- The applicant is of good moral character;
- Good cause exists to issue the CCW license;
- The applicant meets residence requirements; and
- The course of training prescribed by the licensing authority has been completed.

The application on the following pages sets forth standardized questions to be used by the CCW licensing authority to determine whether a CCW license shall be issued. The applicant shall not be required to complete any additional application or form for a CCW license, or to provide any information other than that necessary to complete this standard application form except to clarify or interpret information provided herein. (Pen. Code, § 26175, subd. (g).)

The applicant will certify under penalty of perjury that all answers provided are true and correct to the best of their knowledge and belief. The applicant will also acknowledge that information disclosed on this application may be subject to public disclosure.

Important Instructions

1. Complete, read, and sign Sections 1 through 5, as directed. Use additional pages if more space is required.
2. Sections 6, 7, and 8 must be completed in the presence of an official of the licensing agency.
3. Review Section 7 and be prepared to answer these questions orally. Do not write anything in Section 7 unless specifically directed to do so by the licensing agency.

Section 4 - CCW License Conditions and Restrictions

The licensee is responsible for all liability for, injury to, or death of any person, or damage to any property which may result through any act or omission of either the licensee or the agency that issued the license. In the event any claim, suit, or action is brought against the agency that issued the license, its chief officer or any of its employees, by reason of, or in connection with any such act or omission, the licensee shall defend, indemnify, and hold harmless the agency that issued the license, its chief officer or any of its employees from such claim, suit, or action.

The licensee authorizes the licensing agency to investigate, as they deem necessary, the licensee's record and character to ascertain any and all information which may concern his/her qualifications and justification to be issued a license to carry a concealed weapon and release said agency of any and all liability arising out of such investigation.

While exercising the privileges granted to the licensee under the terms of this license, the licensee shall not, when carrying a concealed weapon:

- Consume any alcoholic beverage.
- Be in a place having a primary purpose of dispensing alcoholic beverages for on-site consumption.
- Be under the influence of any medication or drug, whether prescribed or not.
- Refuse to show the license or surrender the concealed weapon to any peace officer upon demand.
- Impede any peace officer in the performance of his/her duties.
- Present himself/herself as a peace officer to any person unless he/she is, in fact, a peace officer as defined by California law.
- Unjustifiably display a concealed weapon.
- Carry a concealed weapon not listed on the permit.
- Carry a concealed weapon at times or circumstances other than those specified in the permit.

Title 49, section 46505 of the United States Code states that a license to carry a concealed weapon does not authorize a person to carry a firearm, tear gas, or any dangerous weapon aboard commercial airlines. Further, a person must declare that he/she is carrying such firearm, tear gas, or any dangerous weapon BEFORE entering the boarding area of an air terminal where the security checks are made. Such violation can result in arrest by law enforcement.

Any violation of these restrictions or conditions may invalidate the CCW license and may void any further use of the license until reinstated by the licensing authority. Any arrest for a felony or serious misdemeanor, including driving under the influence of alcohol and/or drugs, is cause for invalidating the license.

Section 5 - Applicable California Penal Code Sections

The following Penal Code sections are of special importance to the holder of a CCW license regarding the use, carrying, and storage of firearms:

Penal Code section 26180 - False Statement on Application Form

- (a) Any person who files an application required by Section 26175 knowing that statements contained therein are false is guilty of a misdemeanor.
- (b) Any person who knowingly makes a false statement on the application regarding any of the following is guilty of a felony.
 - (1) The denial or revocation of a license, or the denial of an amendment to a license, issued pursuant to this article.
 - (2) A criminal conviction.
 - (3) A finding of not guilty by reason of insanity.
 - (4) The use of a controlled substance.
 - (5) A dishonorable discharge from military service.
 - (6) A commitment to a mental institution.
 - (7) A renunciation of United States citizenship.

Penal Code section 192 - Manslaughter

Manslaughter is the unlawful killing of a human being without malice.

- (a) Voluntary - upon a sudden quarrel or heat of passion.
- (b) Involuntary - in the commission of an unlawful act, not amounting to a felony; or in the commission of a lawful act which might produce death, in an unlawful manner, or without due caution and circumspection. This subdivision shall not apply to acts committed in the driving of a vehicle.

Penal Code section 197 - Justifiable Homicide; Any Person

Homicide is also justifiable when committed by any person in any of the following cases:

- 1. When resisting any attempt to murder any person, or to commit a felony, or to do some great bodily injury upon any person; or,
- 2. When committed in defense of habitation, property, or person, against one who manifestly intends or endeavors, by violence or surprise, to commit a felony, or against one who manifestly intends and endeavors, in a violent, riotous or tumultuous manner, to enter the habitation of another for the purpose of offering violence to any person therein; or
- 3. When committed in the lawful defense of such person, or of a wife or husband, parent, child, master, mistress or servant of such person, when there is reasonable ground to apprehend a design to commit a felony or to do some great bodily injury, and imminent danger of such design being accomplished; but such person, or the person in whose behalf the defense was made, if he was the assailant or engaged in mutual combat, must really and in good faith have endeavored to decline any further struggle before the homicide was committed; or
- 4. When necessarily committed in attempting, by lawful ways and means, to apprehend any person for any felony committed, or in lawfully suppressing any riot, or in lawfully keeping and preserving the peace.

Penal Code section 198 - Justifiable Homicide; Sufficiency of Fear

A bare fear of the commission of any of the offenses mentioned in subdivisions 2 and 3 of Section 197, to prevent which homicide may be lawfully committed, is not sufficient to justify it. But the circumstances must be sufficient to excite the fears of a reasonable person, and the party killing must have acted under the influence of such fears alone.

Penal Code section 199 - Justifiable and Excusable Homicide; Discharge of Defendant

The homicide appearing to be justifiable or excusable, the person indicted must, upon his trial, be fully acquitted and discharged.

Section 6 - Agreement to Restrictions and to Hold Harmless

I accept and assume all responsibility and liability for, injury to, or death of any person, or damage to any property which may result through an act or omission of either the licensee or the agency that issued the license. In the event any claim, suit or action is brought against the agency that issued the license, its chief officer or any of its employees, by reason of, or in connection with any such act or omission, the licensee shall defend, indemnify, and hold harmless the agency that issued the license, its chief officer or any of its employees from such claim, suit, or action.

I further understand that if my application is approved and I am issued a license to carry a concealed weapon, that the license is subject to restrictions placed upon it and that misuse of the license will cause an automatic revocation and possible arrest and that the license may also be suspended or revoked at the discretion of the licensing authority at any time. I am aware that any use of a firearm may bring criminal action or civil liability against me.

I have read, understand, and agree to the CCW license liability clauses, conditions, and restrictions stated in this application and Agreement to Restrictions and to Hold Harmless.
